

## **AGREEMENT BETWEEN BROWARD COUNTY AND CITY OF SUNRISE FOR DESIGN OF SAWGRASS REUSE DISTRIBUTION SYSTEM**

This is an Agreement ("Agreement"), made and entered into by and between Broward County, a political subdivision of the State of Florida ("County") and City of Sunrise, a municipal corporation ("City") (collectively referred to as the "Parties").

WHEREAS, COUNTY began a planning process, known as the Broward Countywide Integrated Water Resource Plan, in 1997 to improve coordination between all water managers in its geographical borders; and

WHEREAS, COUNTY has funds to perform feasibility and preliminary design work for recommended projects related to the implementation of the Integrated Water Resource Plan ("IWRP"); and

WHEREAS, COUNTY is desirous of entering into Interlocal agreements to encourage local water managers to pursue feasibility and preliminary design work for IWRP related projects which will improve the effective and efficient use of local water resources; and

WHEREAS, the Technical Advisory Committee and the Water Advisory Board for the Board of County Commissioners have recommended cost share funding for these IWRP recommended projects; and

WHEREAS, CITY has expressed a desire to cost share feasibility and preliminary design work pursuant to the terms and conditions hereafter set forth, NOW, THEREFORE,

IN CONSIDERATION of the mutual terms, conditions, promises, covenants, and payments hereinafter set forth, the Parties agree as follows:

### **ARTICLE 1. DEFINITIONS**

- 1.1 **Board.** The Board of County Commissioners of Broward County, Florida.
- 1.2 **Contract Administrator.** The Director of the Environmental Planning and Community Resilience Division.
- 1.3 **County Administrator.** The administrative head of County appointed by the Board.
- 1.4 **County Attorney.** The chief legal counsel for County appointed by the Board.
- 1.5 **Services.** All work required by City under this Agreement, including without limitation all deliverables, consulting, training, project management, or other services specified in Exhibit A.

1.6 **Subconsultant** or **Subcontractor**. A firm, partnership, corporation, independent contractor (including 1099 individuals), or combination thereof providing services to County through City for all or any portion of the Services. The term "Subconsultant" shall include all "Subcontractors" and the term "Subcontractor" shall include all "Subconsultants."

## **ARTICLE 2. SCOPE OF SERVICES**

2.1 City shall perform all work identified in this Agreement including without limitation the Scope of Services described in Exhibit A. The Scope of Services stated in this Agreement is a description of City's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by City impractical, illogical, or unconscionable. City shall meet or exceed all applicable federal, state, and local laws, ordinances, codes, rules, and regulations in performing the Services.

2.2 City acknowledges that the Contract Administrator has no authority to make changes that would increase, decrease, or otherwise modify the Scope of Services to be provided under this Agreement except as expressly set forth in this Agreement.

## **ARTICLE 3. TERM AND TIME OF PERFORMANCE**

3.1 The term of this Agreement shall begin on the date it is fully executed by the Parties ("effective date") and shall end eighteen (18) months after the effective date ("Initial Term"). The continuation of this Agreement beyond the end of any County fiscal year is subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes.

3.2 Unless otherwise agreed by the Parties in writing, all duties, obligations, and responsibilities of City required by this Agreement shall be completed no later than eighteen (18) months of the effective date. Time is of the essence in performing the duties, obligations, and responsibilities required by this Agreement.

3.3 In the event County elects to extend the term of this Agreement beyond the Initial Term, City agrees that it shall continue to provide the Services upon the same terms and conditions as contained in this Agreement for such extended period, which shall not be more than three (3) months beyond the Initial Term. City shall be compensated for the Services at the rate in effect when the extension was invoked by County. This option, if elected by County, shall be exercised by County's Purchasing Director by written notice stating the duration of the extended period which notice shall be provided to City at least thirty (30) days prior to the end of the Initial Term.

## **ARTICLE 4. COMPENSATION**

4.1 For the Initial Term, County will pay City up to a maximum amount as follows:

<b>Services/Goods</b>	<b>Not-To-Exceed Amount</b>
Services – County Cost Share	\$150,000.00
<b>TOTAL NOT TO EXCEED</b>	<b>\$150,000.00</b>

Payment shall be made only for work actually performed and completed pursuant to this Agreement, as set forth in Section 4.2, which amount shall be accepted by City as full compensation for all such work. City acknowledges that the amounts set forth herein are the maximum amounts payable and constitute a limitation upon County's obligation to compensate City for its work under this Agreement. These maximum amounts, however, do not constitute a limitation of any sort upon City's obligation to perform all items of work required under this Agreement. Unless otherwise expressly stated in this Agreement, City shall not be reimbursed for any expenses it incurs under this Agreement.

#### 4.2 METHOD OF BILLING AND PAYMENT

4.2.1 City may submit an invoice for compensation once after the Services have been completed. An original invoice plus one copy are due within sixty (60) days after this Agreement expires or is otherwise terminated. Invoices shall designate the nature of the Services performed and, as applicable, the personnel, hours, tasks, or other detail as requested by the Contract Administrator. City shall submit with each invoice a Certification of Payments to Subcontractors and Suppliers (Exhibit B). If the City has not made all payments due to Subcontractors and Suppliers, the certification shall be accompanied by a copy of the notification sent to each Subcontractor and Supplier listed on the form, explaining the good cause why payment has not been made.

4.2.2 Any invoice by City shall be no more than the Total Funding Amount Requested set forth in Exhibit A for the applicable Services.

4.2.3 County shall pay City within thirty (30) calendar days of receipt of City's proper invoice, as required by the "Broward County Prompt Payment Ordinance," Section 1-51.6, Broward County Code of Ordinances. To be deemed proper, all invoices must comply with the requirements set forth in this Agreement and must be submitted on the form and pursuant to instructions prescribed by the Contract Administrator. Payment may be withheld for failure of City to comply with a term, condition, or requirement of this Agreement.

4.2.4 City shall pay its Subcontractors and suppliers within fifteen (15) days following receipt of payment from County for such subcontracted work or supplies. City agrees that if it withholds an amount as retainage from Subcontractors or suppliers, it will release such retainage and pay same within fifteen (15) days following receipt of payment of retained amounts from County. Failure to pay a Subcontractor or supplier in accordance with this subsection shall be a material breach of this Agreement, unless City demonstrates that such failure to pay results from a bona fide dispute with the Subcontractor or supplier.

4.3 Subcontractors. City shall invoice all Subcontractor fees, whether paid on a "lump sum" or other basis, to County with no markup. All Subcontractor fees shall be billed in the actual amount paid by City.

4.4 Notwithstanding any provision of this Agreement to the contrary, County may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work which has not been remedied or resolved in a manner satisfactory to the Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by County.

4.5 Payment shall be made to City at the address designated for Notices under Section 9.9.

#### **ARTICLE 5. GOVERNMENTAL IMMUNITY**

Nothing herein is intended to serve as a waiver of sovereign immunity by any party nor shall anything included herein be construed as consent to be sued by third parties in any matter arising out of this Agreement or any other contract. City is a state agency or political subdivision as defined in Section 768.28, Florida Statutes, and shall be fully responsible for the acts and omissions of its agents or employees to the extent permitted by law.

#### **ARTICLE 6. INSURANCE**

6.1 City is an entity subject to Section 768.28, Florida Statutes, and City shall furnish the Contract Administrator with written verification of liability protection in accordance with state law prior to final execution of this Agreement.

6.2 If City uses a Subcontractor, City shall ensure that each Subcontractor names "Broward County" as an additional insured under the Subcontractor's Commercial General Liability, Business Automobile Liability, and Excess/Umbrella policies, unless Excess/Umbrella Liability is provided on follow-form basis.

#### **ARTICLE 7. TERMINATION**

7.1 This Agreement may be terminated for cause by the aggrieved party if the party in breach has not corrected the breach within ten (10) days after receipt of written notice from the aggrieved party identifying the breach. This Agreement may also be terminated for convenience by either of the Parties. Termination for convenience by the Board or City shall be effective on the termination date stated in written notice provided to the other party, which termination date shall be not less than thirty (30) days after the date of such written notice. This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate under the circumstances in the event the County Administrator determines that termination is necessary to protect the public health, safety, or welfare. If County erroneously, improperly, or unjustifiably terminates for cause, such

termination shall, at County's sole election, be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

7.2 This Agreement may be terminated for cause for reasons including, but not limited to, City's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to suitably perform the work, or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement. The Agreement may also be terminated for cause if City is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Section 215.473, Florida Statutes, or if City provides a false certification submitted pursuant to Section 287.135, Florida Statutes.

7.3 Notice of termination shall be provided in accordance with the "NOTICES" section of this Agreement except that notice of termination by the County Administrator, which the County Administrator deems necessary to protect the public health, safety, or welfare may be verbal notice that shall be promptly confirmed in writing in accordance with the "NOTICES" section of this Agreement.

7.4 In the event this Agreement is terminated for convenience by County, City shall be paid for any services properly performed under the Agreement through the termination date specified in the written notice of termination. City acknowledges that it has received good, valuable and sufficient consideration from County, the receipt and adequacy of which are, hereby acknowledged by City, for County's right to terminate this Agreement for convenience.

7.5 In the event this Agreement is terminated for any reason, any amounts due City shall be withheld by County until all documents are provided to County pursuant to Section 9.1 of Article 9.

## **ARTICLE 8. EEO AND CBE COMPLIANCE**

8.1 No party to this Agreement may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement.

City shall include the foregoing or similar language in its contracts with any Subcontractors, except that any project assisted by the U.S. Department of Transportation funds shall comply with the non-discrimination requirements in 49 C.F.R. Parts 23 and 26.

Failure by City to carry out any of the requirements of this Section shall constitute a material breach of this Agreement, which shall permit County to terminate this Agreement or to exercise any other remedy provided under this Agreement, Broward County Code of Ordinances, Broward County Administrative Code, or under other applicable law, all such remedies being cumulative.

8.2 Although no CBE goal has been set for this Agreement, County encourages City to give full consideration to the use of CBE firms to perform work under this Agreement.

8.3 By execution of this Agreement, City represents that it has not been placed on the discriminatory vendor list as provided in Section 287.134, Florida Statutes. County hereby materially relies on such representation in entering into this Agreement. An untrue representation of the foregoing shall entitle County to terminate this Agreement and recover from City all monies paid by County pursuant to this Agreement, and may result in debarment from County's competitive procurement activities.

## **ARTICLE 9. MISCELLANEOUS**

9.1 Rights in Documents and Work. Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the joint property of County, and, if a copyright is claimed, City grants to County a non-exclusive license to use the copyrighted item(s) indefinitely, to prepare derivative works, and to make and distribute copies to the public. In the event of termination of this Agreement, any reports, photographs, surveys, and other data and documents prepared by City, whether finished or unfinished, shall be the joint property of County and City and copies shall be delivered by City to the Contract Administrator within seven (7) days of termination of this Agreement. Any compensation due to City shall be withheld until all documents are received as provided herein. City shall ensure that the requirements of this Section are included in all agreements with its Subcontractor(s).

9.2 Public Records. To the extent City is acting on behalf of the County as stated in Section 119.0701, Florida Statutes, City shall:

- a. Keep and maintain public records required were County performing the services under this Agreement;
- b. Upon request from the County, provide County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by law;
- c. Ensure that public records that are exempt or that are confidential and exempt from public record requirements are not disclosed except as authorized by law for the duration of the Agreement and following completion of the Agreement if the records are not transferred to the County; and
- d. Upon completion of the Agreement, transfer to County, at no cost, all public records in possession of City upon termination of this Agreement or keep and maintain public records required were the County performing the service. If City transfers the records to the County, City shall destroy any duplicate public records that are exempt or

confidential and exempt. If the City keeps and maintains public records upon completion of the Agreement, City shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to County upon request in a format that is compatible with the information technology systems of County.

The failure of City to comply with the provisions of this Section shall constitute a material breach of this Agreement entitling the County to exercise any remedy provided in this Agreement or under applicable law.

A request for public records regarding this Agreement may be made directly to either Party, who will be responsible for responding to any such public records requests. The Parties will provide any requested records to each other to enable timely responses to the public records requests.

**IF THE CITY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CITY'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (954) 519-1294, klelis@broward.org, 115 S. ANDREWS AVE., SUITE 329H, FORT LAUDERDALE, FLORIDA 33301.**

9.3 Audit Rights, and Retention of Records. County shall have the right to audit the books, records, and accounts of City and its Subcontractors that are related to this Agreement. City and its Subcontractors shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to the Agreement and performance thereunder. All books, records, and accounts of City and its Subcontractors shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, City or its Subcontractor, as applicable, shall make same available at no cost to County in written form.

City and its Subcontractors shall preserve and make available, at reasonable times within Broward County for examination and audit by County, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for a minimum period of three (3) years after expiration or termination of this Agreement or until resolution of any audit findings, whichever is longer. County audits and inspections pursuant to this Section may be performed by any County representative (including any outside representative engaged by County). County reserves the right to conduct such audit or review at City's place of business, if deemed appropriate by County, with seventy-two (72) hours' advance notice.

Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for County's disallowance and recovery of any payment upon such entry. If an audit or inspection in accordance with this Section discloses overpricing or overcharges to County of any nature by the City in excess of five percent (5%) of the total contract billings reviewed by County, the reasonable actual cost of the County's audit shall be reimbursed to the County by the City in

addition to making adjustments for the overcharges. Any adjustments and/or payments due as a result of such audit or inspection shall be made within thirty (30) days from presentation of County's findings to City.

City shall ensure that the requirements of this Section are included in all agreements with its Subcontractor(s).

9.4 Financial Statements And Management Letters. City shall provide a copy of City's audited financial statements and any applicable management letter(s) as well as City's response to any management letter(s). The audit of the financial statements shall be prepared by an independent certified public accountant in accordance with generally accepted accounting principles for the fiscal year County funds are received and for each subsequent fiscal year until such time as all of County funds are expended.

City shall provide to County's Contract Administrator copies of a special report showing all revenues, by source, and all expenditures as set forth in the Scope of Services for the program being funded by this Agreement. The report shall specifically disclose any funds received which were not expended in accordance with this Agreement or with any regulations incorporated by reference therein. It shall identify the total of noncompliant expenditures as due back to County. If the special report is prepared by an independent certified public accountant, it shall be in accordance with generally accepted auditing standards. If the special report is prepared by an internal auditor, it shall be as nearly in accordance with generally accepted auditing standards as the status of the internal auditor permits, realizing that the internal auditor may not issue the opinions required therein. The special report is to be filed with City's governing body.

City shall submit the documents required by this Section to County's Contract Administrator within one hundred twenty (120) days after the close of City's fiscal years in which City receives funds under this Agreement, unless otherwise approved by the Contract Administrator in writing.

9.5 Truth-In-Negotiation Representation. City's compensation under this Agreement is based upon representations supplied to County by City, and City certifies that the information supplied, including without limitation in the negotiation of this Agreement, is accurate, complete, and current at the time of contracting. County shall be entitled to recover any damages it incurs to the extent such representation is untrue.

9.6 Public Entity Crime Act. City represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. In addition to the foregoing, City further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether City has been placed on the convicted vendor list.

Notwithstanding any provision in this Agreement to the contrary, if any representation stated in this paragraph is false, County shall have the right to immediately terminate this Agreement and recover all sums paid to City under this Agreement.

9.7 Independent Contractor. City is an independent contractor under this Agreement. In providing Services under this Agreement, neither City nor its agents shall act as officers, employees, or agents of County. City shall not have the right to bind County to any obligation not expressly undertaken by County under this Agreement.

9.8 Third Party Beneficiaries. Neither City nor County intends to directly or substantially benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

9.13 Compliance with Laws. City shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.

9.14 Severability. In the event any part of this Agreement is found to be unenforceable by any court of competent jurisdiction, that part shall be deemed severed from this Agreement and the balance of this Agreement shall remain in full force and effect.

9.15 Joint Preparation. This Agreement has been jointly prepared by the Parties hereto, and shall not be construed more strictly against either Party.

This paragraph shall not apply to any claim for interest, including for post-judgment interest, if such application would be contrary to applicable law.

9.22.2 Rate of Interest. If, for whatever reason, the preceding subsection is determined to be invalid or unenforceable by a court of competent jurisdiction, the annual rate of interest payable by County under this Agreement, whether as prejudgment interest or for any other purpose, shall be, to the full extent permissible under applicable law, 0.25% (one quarter of one percent) simple interest (uncompounded).

9.23 Incorporation by Reference. Any and all Recital clauses stated above are true and correct and are incorporated herein by reference. The attached Exhibits are incorporated into and made a part of this Agreement.

If County learns that this representation is false, County shall have the right to terminate this Agreement without any further liability to City. Alternatively, if such representation is false, County, at its sole discretion, may deduct from the compensation due City under this Agreement the full amount of such fee, commission, percentage, gift, or consideration.

## **Exhibit A – Scope of Services**

### **INTERLOCAL AGREEMENT BETWEEN BROWARD COUNTY AND THE CITY OF SUNRISE FOR DESIGN OF THE SAWGRASS REUSE DISTRIBUTION SYSTEM**

#### **INTRODUCTION**

The Broward County-wide Integrated Water Resource Plan (IWRP) was developed in partnership with municipal leaders, water managers, utility directors, and other stakeholder groups representing a broad cross-section of Broward County's water resource and water supply interests. Goals of the IWRP are to optimize the beneficial uses of local water resources through more efficient management of the County's secondary canal system; to provide a strategy for effective participation in water management on a regional level; and to diversify water supplies as a drought management strategy and to meet long-term urban water needs. In September 2015, local water managers were offered an opportunity to pursue Broward County cost-share funding to finance feasibility analysis and preliminary design of projects that serve the goals of the Integrated Water Resource Plan (IWRP). Out of the five grant applications received and reviewed by the Broward County Water Advisory Board and its Technical Advisory Committee, three projects were identified that are anticipated to provide regional benefits and support of efficient water resource management and alternative water supply development. This scope of work describes one of these projects, to be conducted by the City of Sunrise.

#### **PROJECT DESCRIPTION**

The City of Sunrise completed a Reuse Facilities System Planning study in 2011-2012 and has identified several potential reuse sites near the Sawgrass Water and Wastewater Treatment Plants, and the City now seeks assistance with costs for design of their Reuse Distribution System. This project is an initiative pursued by the City of Sunrise to design a reuse distribution system.

Sunrise currently withdraws and treats approximately 15 to 18 MGD of potable water at the Sawgrass Water Treatment Plant (from two well fields). The City treats approximately 12 to 14 MGD of wastewater at this same site, located at 14150 N.W. 8 Street. The City is currently beginning construction of a 4 million gallon per day (MGD) irrigational reuse treatment facility, utilizing deep bed sand filtration and high level disinfection, which shall be completed in 2017. The proposed reuse distribution system project will connect the City's centrally located treatment facility with its first reuse customers, which likely will include the Sawgrass WWTP, the Sawgrass International Corporate Park, the Sawgrass Mills Mall, American Express, Metropica, and other sites, and the reuse system connection with the new treatment plant processes, which represents significant demands for surface water for irrigation in this area.

This project is consistent with the Broward County Regional Reuse Plan.

## PROJECT GOALS AND OBJECTIVES

The Project goal is to design the Sawgrass Reuse Distribution System, providing a reclaimed water source to large water users for landscape irrigation.

The project objective is to connect the City's four million gallon per day irrigational reuse plant to its first customers. The Project will also reduce demands on the Biscayne aquifer, and provide aquifer recharge.

This project serves to advance the recommendations of the Broward Water Resources Task Force (2015 Report) with an emphasis on the expansion of reclaimed water as a regional water supply and is consistent with Broward Regional Reuse Master Plan.

**TASK 1.** Design, of the Sawgrass Reuse Distribution System.

**TASK 2.** Provide Broward County with estimated schedule of all required permitting and construction timeline.

**Deliverable 1.** Two copies of a Final Report including design of the reuse system, summary of coordination efforts with governing agencies, electronic and GIS files, and estimated schedule of all required permitting and construction timeline.
