Notes Continued:

2. Beginning on October 1, 2023, and on each October 1 thereafter, the Flat Fee Permits² and Other Building Fees² ~~identified in Exhibit B~~ shall be adjusted to reflect the cost of doing business, as measured by fluctuation in the Consumer Price Index (CPI) (All Urban Consumers, Miami-Ft. Lauderdale-West Palm Beach, Florida) as published by the U.S. Department of Labor, Bureau of Labor Statistics or its successor agency based on the percentage change in the CPI from the previous June to June of the year in which the increase is effected. The Building Fee Schedule for these permits shall be adjusted annually, unless otherwise amended by an action of the City Commission. It shall not be necessary to amend this Ordinance, nor to cause publication or conduct a public hearing prior to the annual CPI adjustment of the Flat Fee Permits² and Other Building Fees² ~~identified in Exhibit B~~. ~~Building Fee Schedule~~ pursuant to this section. The annual adjustment for the Flat Fee Permits² and Other Building Fees² ~~identified in Exhibit B~~ shall be effective for new building permit applications and other building services applied for on October 1 of the year. A copy of the updated ~~identified in Exhibit B~~ Building Fee Schedule shall be kept on file in the City Clerk's office.

3. Any sub permit issued whose construction value is included within the total construction value of the master permit for new construction, addition, and alteration permits shall only be charged the administrative fee for issuance of each sub permit.

4. Eligible Overtime Inspection is defined as mandatory, sequential inspection of permitted construction, pursuant to the applicable Building Code, performed at times outside the employee's regular work schedule. An Eligible Overtime Inspection shall include, but not be limited to, final inspections necessary to issue certificates of occupancy for scheduled property closings, de-energization of power of life safety systems for power sourcing or testing, smoke evacuation system testing, or critical stages of construction that may jeopardize building integrity and passive fire protection. Eligibility and availability for Overtime Inspections shall be determined by the Building Official/Director. Eligible Overtime Inspections shall be prepaid, the deposit held in escrow. The actual cost will be deducted from the balance when the inspection has been completed. Actual cost is defined as one and one-half (1 and 1/2) times the employee's rate of pay for a minimum of two (2) hours of pay plus related fringe benefits for the inspector, as well as the standard mileage rate as defined by the Internal Revenue Service for business miles driven. Any remaining balance shall be refunded to the contractor upon the issuance of a Certificate of Occupancy or close-out of the building permit.

5. Outside agency surcharges will be applied to City permit fees and other building fees as applicable, may be amended from time to time by the governing agency, and will be updated accordingly on this fee schedule.

* *Broward County Board of Rules and Appeals (BRA): \$0.52 per \$1,000 of total estimated cost, minimum of \$2.00 per permit*

* *Building Code Administrators & Inspectors Fund (BCAIB) 1.5% of Building permit fees, minimum \$2.00 per permit*

* *Florida Building Commission (FBC) 1.0% of Building permit fees, minimum \$2.00 per permit*

6. If a private provider is performing plan review and inspection services for a building permit, the associated building permits will be assessed at 70 percent of the permit fee. If a private provider is performing inspection services only, the associated building permits will be assessed at 85 percent of the permit fee.

7. Commercial percentage based permits with a high valuation or unique scope may request a fee schedule exception pursuant to the Matrix Consulting Group's Study dated November 27, 2023 (Study). The City Manager and Director of Community Development are authorized to develop a policy consistent with the Study and are further authorized to implement fees in accordance with the policy developed to implement the Study.
