Department/Division

Is hereby nominated for the Employee of the Month Award for the reasons stated below:

On February 11, 2016 Mr. Allen, a visitor to the City of Sunrise was shopping at Ikea when witnesses state he fell to the ground and suffered what appeared to be a seizure. Bystanders quickly came to his aid and realized that Mr. Allen was no longer breathing and no longer had a pulse. An AED was quickly grabbed, Rescuer CPR was started and 911 was summoned.

The crew of Fire Station 92 responded to the call arriving in less than 4 minutes and continued the care already started by bystanders. Mr. Allen was in a life threatening dysrhythmia known as Ventricular Fibrillation. The crews rapidly defibrillated Mr. Allen and continued with Advanced Life Support treatment which included an intubation and interosseous access. Multiple attempts were made to restore a normal heart rhythm with a sustainable pulse and spontaneous breathing.

While enroute to the hospital the crew of Station 92 were successful in regaining pulses with a perfusing blood pressure and Mr. Allen began to again breath on his own. In addition to the life saving efforts the crew took additional steps to help determine the root cause of the cardiac arrest and in this case Mr Allen suffered from a Heart Attack. The ECG strip was transmitted to the ER and crews advised the awaiting hospital that the patient heart showed signs of a MI and Cardiac Catheterization Lab was prepped for his arrival.

Mr. Allen was released from the Hospital several days later to rejoin his family in North Florida with no deficit. It is for the above cited reasons I would like to nominate the crew of Station 92: Captain Dennis Hart, D/O Martin Valentino, Lt. Tommie Greenwell, Lt. Anthony McInerney, Lt. Pavel Karasek, and FF. Justin Thomas. For employees of the month.
