

Jenna Colbert
Franklin Academy
Teacher of the Month ~ May, 2016

Ms. Jenna Colbert has been nominated as the Teacher of the Month for Franklin Academy.

Ms. Colbert holds a B.A. in Psychology and a Master of Arts in Teaching from the University of Southern California.

Ms. Colbert has worked as an educator for the last 3 years. She serves as Franklin Academy's STEM (Science, Technology, Engineering and Mathematics) teacher and teaches all students in grades 2-5.

Her approach to teaching centers on the belief that inquiry is the key to reaching her students. She allows them to explore, thereby increasing their ability to think critically and problem solve.
