

**STANDARD CONTRACT
BETWEEN THE CITY OF SUNRISE, FLORIDA
AND THE CORMAC GROUP, LLP**

THIS CONTRACT between the City of Sunrise, a municipal corporation of the State of Florida whose address is 10770 West Oakland Park Boulevard, Sunrise, Florida, 33351 (hereinafter referred to as "the City") and the Cormac Group, LLP a District of Columbia (DC) corporation, (hereinafter referred to as the "Contractor"), whose address is 1730 Rhode Island Avenue, NW, Suite 317, Washington, DC 20036 and whose Federal Employer Identification Number is 52-2301990.

In consideration of the mutual terms and promises set forth below, the City and the Contractor agree as follows:

1. Services

The Contractor's responsibility under this Contract is for governmental relations and federal lobbying services as set forth in this Contract and as further stated in Contractor's proposal, attached hereto as Exhibit "A," which is made a part of this Contract.

The Scope of Service (hereinafter referred to as "Services") is as follows and further defined in Contractor's Proposal: Governmental relations and federal lobbying services on behalf of the City of Sunrise. Advocacy services will include lobbying with the various federal governmental agencies as needed to ensure the best outcome for Sunrise.

The City's representative during the performance of this Contract shall be Richard Salamon or designee, telephone number (954) 746-3430.

The Contractor's representative/liaison during the performance of this Contract shall be Jonathan Slade, telephone number (202) 467-4700.

2. Payments

The Contractor will bill the City on a quarterly basis for Services rendered toward the work defined herein at the monthly rate listed in Exhibit "A." Contractor shall submit invoices to:

City of Sunrise
Attn: Accounts Payable Dept.
10770 West Oakland Park Blvd.
Sunrise, FL 33351

Invoices received from the Contractor pursuant to this Contract will be reviewed and approved by the City's representative, indicating that Services have been rendered in conformity with the Contract and then will be sent to the Finance and Administrative Services Department for payment. Following the City representative's approval, invoice payments will be made by the City in accordance with Florida Prompt Payment Act, Florida Statutes Section 218.70.

Final Invoice: In order for both parties herein to close their books and records, the Contractor will clearly state "final invoice" on the Contractor's final/last billing to the City. This certifies that all Services have been properly performed and all charges and costs have been invoiced to the City. Since this account will thereupon be closed, any and other further charges, if not properly included on this final invoice, or which are in excess of the not to exceed amount, are waived by the Contractor.

3. Initial Contract Period and Contract Renewal

The initial Contract period shall be for six (6) months commencing April 1, 2019. In addition, contingent upon Budget approval, the City reserves the right, but not the obligation, to renew the Contract for two (2) additional one (1) year periods, under the same terms, conditions and specifications, by written notification to the Contractor by the Procurement Manager.

In the event the Services are scheduled to end either by Contract expiration or by termination by the City of Sunrise, the City in its sole discretion may require the Contractor to continue the Services until new services can be completely operational. The City Manager, or designee, may extend the Contract for a period not to exceed six (6) months, subject to the same terms and conditions set forth in the initial Contract. The Contractor will be paid for Services at the rate in effect when this transitional period clause is invoked by the City. Any additional extensions shall be subject to City Commission approval.

4. Access and Audits

The Contractor shall maintain adequate records related to all charges, expenses, and costs incurred in estimating and performing the work for at least three (3) years after completion of this Contract. The City shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at the Contractor's place of business.

5. Truth-In-Negotiation Certificate

Signature of this Contract by the Contractor shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, overhead charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged the Contractor's most favored customer for the same or substantially similar services. The said rates and costs shall be adjusted to exclude any significant sums should the

City determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate presentation of fees paid to outside Contractors. The City shall exercise its rights under this clause within three (3) years following final payment.

6. Section Intentionally Omitted

7. Termination for Governmental Non-Appropriations

The City is a bona fide governmental entity of the State of Florida with a fiscal year ending on September 30 of each calendar year. If the City does not appropriate sufficient funds to purchase the Services or quantities required under this Contract for any of the City's fiscal years subsequent to the one in which the Contract is executed and entered into, then this Contract shall be terminated effective upon expiration of the fiscal year in which sufficient funds to continue satisfaction of the City's obligation under this Contract were last appropriated by the City and the City shall not, in this sole event be obligated to make any further purchases beyond said fiscal year.

8. Termination for Cause

This Contract may be terminated by either party upon three (3) calendar days' written notice to the other party, should such other party fail substantially to perform in accordance with the material terms of the Contract through no fault of the party initiating the termination. In the event the Contractor abandons this Contract or causes it to be terminated by the City, the Contractor shall indemnify the City against any loss pertaining to this termination. In the event that the Contractor is terminated by the City for cause and it is subsequently determined by a court of competent jurisdiction that such termination was without cause, such termination shall thereupon be deemed a termination for convenience under Section 9. and the provisions of Section 9. shall govern.

9. Termination for Convenience

This Contract may be terminated by the City without cause upon thirty (30) days' written notice to the Contractor. In the event of such a termination without cause, the Contractor shall be compensated for all Services completed and accepted by the City's representative as authorized herein. In such event, the Contractor shall promptly submit its invoice for final payment and reimbursement under the terms of this Contract to the City.

10. Section Intentionally Omitted

11. Independent Contractor

The Contractor is an independent contractor under this Contract. Personal services provided by the Contractor shall be by employees of the Contractor who are subject to supervision by the Contractor, and who shall not be officers, employees, or agents of

the City. Personnel policies, tax responsibilities, purchasing policies and other similar administrative procedures applicable to Services rendered under this Contract shall be those of the Contractor.

12. Authority to Practice

The Contractor hereby represents and warrants that it has and will continue to maintain all licenses and approvals required to conduct its business, and that it will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to the City's representative upon request.

13. Severability

If any term or provision of this Contract or the application thereof to any person or circumstances shall, to any extent, be held invalid or unenforceable, the remainder of this Contract, or the application of such terms or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected, and every other term and provision of this Contract shall be deemed valid and enforceable to the extent permitted by law.

14. Governing Law/Jurisdiction/Venue

This Contract shall be construed in accordance with and governed by the law of the State of Florida. Venue for any action arising out of or relating to this Contract shall lie in Broward County, Florida. Both parties hereby agree to waive a jury trial and will proceed to a trial by judge, if necessary. Except as set forth in Section 8, each party will be responsible for their own attorneys' fees and costs.

15. Successors and Assigns

The City and Contractor bind themselves, their successors, assigns and legal representatives to the other party hereto and to successors, assigns and legal representatives of such other party in respect to covenants, agreements and obligations contained in this Contract. The Contractor shall not assign this Contract without written consent of the City.

16. Subcontracting

The City reserves the right to accept the use of a subcontractor, or to reject the selection of a particular subcontractor and to inspect all facilities of any subcontractors in order to make a determination as to the capability of the subcontractor to perform properly under this Contract. If a subcontractor fails to perform or make progress, as required by this Contract, and it is necessary to replace the subcontractor to complete the service in a timely fashion, the Contractor shall promptly do so, subject to acceptance of the new subcontractor by the City.

16.1 The City acknowledges and agrees to Contractor's subcontract agreement

with the Colodny Fass Law Firm, which is headquartered in the City of Sunrise, to perform services pursuant to this Contract. Contractor agrees that the City shall not be obligated in any respect to Colodny Fass for the payment of any compensation under this contract or reimbursement of any expense. Nothing in the Contractor's subcontract agreement or this Contract shall create any right to payment by the City or any obligation upon the City to pay Colodny Fass for services rendered, or otherwise require the City to exceed the total monthly compensation as indicated in Article 2 of this Contract.

17. Conflict of Interest

The Contractor represents that it presently has no interest and shall acquire no interest, either directly or indirectly, which would conflict in any manner with the performance of Services required hereunder, as provided for in Section 112.311, Florida Statutes. The Contractor further represents that no person having any such interest shall be employed for said performance.

18. Contingent Fees

The Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Contractor to solicit or secure this Contract and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Contractor, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract.

19. Nondiscrimination

The Contractor warrants and represents that all of its employees are treated equally during employment without regard to race, color, national origin, sex, gender identify, sexual orientation, age, disability/handicap, religion, family or income status.

20. Public Entity Crimes

As provided in Section 287.133, Florida Statutes, by entering into this Contract or performing any work or Services in furtherance hereof, the Contractor certifies that it, its affiliates, contractors, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the 36 months immediately preceding the date hereof. This notice is required by Section 287.133(3)(a), Florida Statutes.

21. Modifications of Work

If the City requires additional Services not delineated in the Contractor's Proposal but within the general Scope of Service, the Contractor shall submit a detailed written proposal to the authorized City representative. If the proposal is approved, the

Contractor shall receive authorization to proceed by receipt of a purchase order incorporating the Contractor's proposal.

The City reserves the right to make changes in the Scope of Service, including alterations, reductions therein or additions thereto. Upon receipt by the Contractor of the City's notification of a contemplated change, the Contractor shall, in writing: (1) provide a detailed estimate for the increase or decrease in cost due to the contemplated change, (2) notify the City of any estimated change in the completion date, and (3) advise the City if the contemplated change shall affect the Contractor's ability to meet the completion dates or schedules of this Contract. The parties agree to negotiate in good faith changes in the Scope of Service that may occur.

If the City so instructs in writing, the Contractor shall suspend work on that portion of the Scope of Service affected by a contemplated change, pending the City's decision to proceed with the change. If the City elects to make the change, the City shall initiate a Contract Amendment and the Contractor shall not commence work on any such change until such written amendment is signed by the Contractor and approved and executed by the City's representative and Procurement Manager.

23. No Damages for Delay

The Contractor shall not be entitled to any claim for damages including, but not limited to, loss of profits, loss of use, home office overhead expenses, equipment rental and similar costs, on account of delays in the progress of the Services from any cause whatsoever including an act or neglect of the City, adverse weather conditions, and act

of God, strike, war or national disaster or emergency, unusual delay in deliveries, unusual delay in procuring permits, differing site conditions, unavoidable casualties or other causes beyond the Contractor's control, or by delay authorized by the City, or by other causes which the Contractor determines may justify delay. The Contractor's sole recovery and sole remedy for any such delay shall be a reasonable extension of time and a revision to the schedule as determined by the City. However, additional costs to the Contractor or delays in the Contractor's performance caused by improperly timed activities shall not be the basis for granting a time extension. If the Contractor wishes to make a claim for an increase in time of performance, written notice of such claim shall be made to the City within ten (10) working days after the occurrence of the event, or the first appearance of the condition giving rise to such claim. The City's representative shall determine whether or not the Contractor is entitled to a time extension for the delay. The failure of the Contractor to give such notice shall constitute a waiver of any claim under this section.

24. Public Records Law

The Contractor shall comply with all applicable requirements contained in the Florida Public Records Law (Chapter 119, Florida Statutes), including but not limited to any applicable provisions in Section 119.0701, Florida Statutes. If the Contractor transfers all public records to the City upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City. If the Contractor fails to comply with the requirements in this Section 25, the City may enforce these provisions in accordance with the terms of this Contract. If the Contractor fails to provide the public records to the City within a reasonable time, it may be subject to penalties under Section 119.10, Florida Statutes.
