Mr. Shane Strum
Chief of Staff
Office of Governor DeSantis
The Capital
Tallahassee, Florida 32299-00001

Dear Mr. Strum:

Broward County and the City of Sunrise have been requested by the Florida Turnpike Enterprise to communicate by March 31, 2019 our joint commitment of funding for the Pat Salerno Drive and Sawgrass Expressway interchange and to commit to which interchange configuration that the County and City would support.

The County and the City have agreed to support the design and construction of a full interchange, which the Florida Turnpike Enterprise has estimated the cost to be \$56 million, plus any costs for: 1.) acquiring land to be used for right-of-way; 2.) acquiring land for drainage; 3.) acquiring land for mitigation and conservation; 4.) the actual cost for any mitigation.

For the full interchange at Pat Salerno Drive and the Sawgrass Expressway, Broward County and the City of Sunrise can jointly commit to funding \$15 million, plus the added costs set forth above, subject to final approval by our respective elective bodies by the end of this month.

As you know the development of the arena site is a major initiative for the City, County and State. Our hope is to attract new businesses to the state and this interchange is critical to our success.

Sincerely,

A handwritten signature in blue ink that reads "Bertha W. Henry".
