

Annual Chamber Celebration Luncheon

Join us for the Annual Chamber Celebration Luncheon as we recognize sponsors, members, and community partners who power our region's growth. Enjoy networking, a showcase of impact, and special awards honoring outstanding leadership and service. Let's celebrate the collaborations that strengthen local business and set the stage for the year ahead.

ABOUT US

The Broward County Black Chamber of Commerce serves an important role in the Broward community. We were founded on the basic principle that no community should be left behind. We serve as an advocate for our businesses, a provider of resources and technical assistance, a resource to close the information gap, and a gathering space to create and address long standing issues in some of the most vulnerable businesses in the South Florida region.

After six years in existence, the Chamber boasts over 560 members and countless partners and sponsors. Our reach extends to over 10,000+ in the region via our seven social media platforms. We are determine to develop a business ecosystem that works for everyone, fuels growth, fosters innovation, and creates jobs.

The Chamber is a vital resource to help our community survive. We are proud of our contribution, our members, and supporters. Each year at our annual luncheon, we showcase the Chamber's accomplishments for the year, highlight our local small business owners, and thank sponsors, key partners, and board members.

This is our time to get together, celebrate, and get ready for the opportunities that will surely come in 2026. Elected officials, community and business leaders, as well as local small business owners will be in attendance. This event is not to be missed and sells out every year.

SPONSOR

Support the luncheon and become a sponsor. The Chamber is needed in the community and not only supports small business owners but provides guidance and mentorship to the next generation. Here are the ways you can support us:
