Potential Display Locations

Option 1: City Hall (First Floor, Stairwell)

Pros: Central, high public visibility, climate-controlled environment

Cons: Limited space for large displays or rotating exhibits, excessive sunlight from glass wall

Option 2: Parking Garage Bays (East Side)

Pros: Larger area, flexible layout for multiple displays, potential for public tie-ins (board meetings, Tunes ‘N Trucks, events)

Cons: unfinished space, limited access to public, staffing
