Teacher of the Month – November 2025
Discovery Elementary School - Sujeiry Aguilera

Discovery Elementary School proudly nominates art teacher Sujeiry Aguilera as the November 2025 Teacher of the Month.

Ms. Aguilera has been inspiring students at Discovery Elementary since 2020. Her creativity, leadership, and heart make her an exceptional educator and a beloved member of the Discovery Elementary community. Her students have showcased their artistic gifts in numerous prestigious contests and exhibits, including the **Channel 10 Recycled Art Contest**, **City of Sunrise Chess Calendar**, **Peace Poster Contest**, and **Google Doodle Contest**. Her students have placed in the **Top 10 for two consecutive years** in the Channel 10 Recycled Art Contest, and two of their pieces are currently featured in the **Superintendent's Gallery**, selected from over 600 entries.

Beyond the classroom, Ms. Aguilera founded the **Discovery Art Club**, which has hosted three gallery shows and represented the school at the **Young at Art Festival of the Arts** for the past two years. Her vision and compassion also led to the creation of a **Butterfly Mural** in partnership with the Butterfly Project, honoring children who perished in the Holocaust, one of only a few such murals across Broward County.
Ms. Aguilera currently serves as **President of the Broward Art Education Association**, where she advocates for art teachers across the district and promotes arts education countywide. She also serves as **Lead Teacher for Broward County Youth Arts Month**, a **Team Lead** at Discovery, and an active member of both the **Sunshine Committee** and **PTO**.

Always finding ways to spread positivity and school spirit, Ms. Aguilera even steps into the role of **"Danny the Dolphin,"** our school mascot, at family and community events bringing smiles and laughter wherever she goes.
