SOLE SOURCE/SINGLE SOURCE JUSTIFICATION FORM

Date: 12/04/2025 **Department**: Utilities **Requisition No.:** _____

Department Contact: Ted Petrides, P.E.

Proposed Sole Source Vendor: TSC-Jacobs Florida, LLC **Vendor No.**:_____

One-Time Purchase ☐ **Purchase Amount: $** _____

Annual Purchase ☑ **Estimated Annual purchase amount: $** 145,000.00

1. Description of Services/Products: (Attach a quote in addition to filling out this section)

   The aeration basin blowers at our Sawgrass and Springtree Wastewater Plants are manufactured by Gardner Denver , Inc. There are a total of 30 blowers that require factory authorized service, parts and accessories and re-manufacturing or replacement as needed.

2. The basis for this sole source determination and the reason no other vendor/product is suitable: (Attach Sole Source Letter from Vendor in addition to filling out this section)

   TSC-Jacobs Florida, LLC has a 100 % exclusive sales representation contract with the Gardner Denver Blower CF Division, for the state of Florida, for all markets. This applies to new equipment sales, installations, start-up and maintenance service contract, Gardner Denver factory authorized service work, and replacement blower and exhauster parts including motors and coupling replacement parts for the Gardner Denver multistage blowers.

3. By signing this form I certify that a market research has been performed and if market conditions change in the foreseeable future and sole source conditions change, the Department will discontinue using this sole source justification and will procure the goods or services competitively.

Subject: Gardner Denver Multistage Centrifugal Blowers
Sales and Service Representation for the State of Florida

To Whom It May Concern:

This letter is to advise City of Sunrise, Florida, that your city is serviced for the Gardner Denver Blower CF Division blower product line by our local sales representative office, TSC-Jacobs Florida, LLC. Our local Florida sales rep, TSC-Jacobs Florida, LLC has a 100 % exclusive sales representation contract, since July 3, 2003, with the Gardner Denver Blower CF Division, for the complete state of Florida, for all markets including all of the municipal and industrial wastewater and/or water treatment blower applications.

This exclusivity is for the complete Gardner Denver CF multistage blower product line including the former Hoffman Air & Filtration Blower line, the former Lamson Corporation blower line, the former Invincible blower line, for all wastewater and water treatment applications in, municipal or industrial, sewage and water treatment plants.

This 100 % exclusivity not only applies to all new equipment sales, it also encompasses all installations, start-up and maintenance service contract for new and existing Gardner Denver, Hoffman, Lamson and Invincible blowers and exhausters in the state of Florida. This 100 % exclusivity is also applicable for all Gardner Denver factory authorized service work, all replacement blowers, along with all spare and replacement blower and exhauster parts including motors and coupling replacement parts for the Gardner Denver multistage blowers.

Sincerely,

George Hubbard
National Sales Manager
