Question applies to Sustainability Advisory Board

Select the option that applies to you:

☑ resident (at large) who is actively engaged as an environmentalist or who has a strong interest in pro-environment advocacy.

Briefly describe why you would like to serve on this advisory board:

I am interested in serving on the Sustainability Advisory Board because I am committed to advancing practical, community-focused sustainability initiatives in Sunrise, the city I have lived in my entire life. I hold a Bachelor of Science in Geosciences and currently work in municipal sustainability, where I have seen the value of informed advisory boards in shaping effective environmental programs and policy.

Describe the qualifications, skills and abilities you possess that would directly benefit this board:

I bring a strong foundation in environmental science and geoscience, with hands-on experience in data collection, analysis, and research. In my municipal sustainability role, I have developed skills in grant tracking, program support, and coordinating advisory board initiatives, giving me practical insight into effective environmental program implementation. I am skilled at translating technical information into actionable recommendations and collaborating to advance community-focused sustainability projects.

List your education background and area of study:

Bachelor of Science - Geosciences, Florida Atlantic University, 2024. Earned Geographic Information Systems Certificate and Environmental Science Certificate.
