A RATED SCHOOL DISTRICT

2025-26 Redefining Our Schools Initiative Update

A Redefining Our Schools update was presented to the School Board and the community at the December 8, 2025, School Board Workshop. Staff provided a comprehensive summary of the three regional community meetings and the non-traditional schools meeting held in October and November, as well as the School Boundary Advisory Committee Meeting that took place in November. Several members of the community were present to offer feedback for consideration. After extensive dialogue, thoughtful deliberation, and detailed analyses of multiple factors, School Board Members provided their input on the proposals for identified schools. The community is encouraged to visit browardschool.com/redefining to access the presentation materials and recording from the December 8, 2025, School Board Workshop.

On Friday, December 12, 2025, Superintendent Dr. Howard Hepburn released a memo outlining formal recommendations that will be presented for approval at the January 21, 2026, Regular School Board Meeting. Based on this revised timeline, the School Choice Application Window has been extended until January 28, 2026.
