

ARENA OPERATING COMPANY, LTD
One Panther Parkway
Sunrise, FL 33323

May 12, 2026

To the City of Sunrise Commission,

Thank you for your consideration of our request to host additional special events at Amerant Bank Arena that require city permitting. We understand that the current annual limit for these events is six per calendar year. However, due to the continued success of the Florida Panthers and the expansion of live entertainment programming, demand for private special events has increased significantly, bringing more visitors to both the City of Sunrise and Amerant Bank Arena.

To date, we have hosted four permitted special events and have three more contracted through the remainder of the year.

In anticipation of continued demand, we respectfully request approval to host an additional eight events, to be determined. This would increase the total number of permitted events to 14 for the 2026 calendar year.

We value our ongoing partnership with the City of Sunrise and sincerely appreciate your time and consideration.

Respectfully,

Rob Stevenson
