**COMCAST COMMERCIAL SERVICES, LLC  
GENERAL TERMS AND CONDITIONS**

**SECTION 1 - SCOPE OF SERVICE**

1.1 Company will provide to Customer the Service at the prices set forth in the attached Schedule A, and to the location(s) set forth in Schedule B, both attached hereto ("Buildings"). The Service is provisioned by utilizing fiber optic cable, associated with electronics and other equipment ("Network"), which transports and distributes digital signals in a standards based Internet Protocol (IP) format for standards based IP applications to Customer's Buildings identified in the attached Schedule B and at the transmission level designated in Schedule A attached hereto. The Network is provisioned into Customer's Building at the point of interconnection between the Network and Customer's provided equipment located at Customer's Building ("Demarcation Point").

1.2 The Service does not include connection to the public switched network, building wire, any Local Area Networks ("LANs"), Customer Premise Equipment ("CPE"), IP addressing capability, firewalls or any other equipment, electronics, or wiring required on the Customer's side of the Demarcation Point.

1.3 Upon the request of Customer, Company will consider providing other services to Customer at terms, conditions, and prices to be mutually agreed upon in writing between the Parties.

**SECTION 2 - INSTALLATION OF NETWORK**

2.1 Customer, at no cost to Company, shall secure throughout the term of Service any easements, leases or other agreements necessary to allow Company to use existing pathways into and in each Building to the Demarcation Point for the Service.

2.2 Subject to the terms of this Agreement, and at no cost to Company, Customer shall provide adequate environmentally controlled space and electricity required for installation, operation, and maintenance of the Network used to provision the Service within each Building.

2.3 Company and its employees, agents, lessees, officers and its authorized vendors will require free ingress and egress into and out of the Buildings in connection with the provision of Services. Upon reasonable notice from Company, Customer shall assist Company in accessing each Building.

2.4 If the presence of asbestos or other hazardous materials exists or is detected, Customer must have such hazardous materials removed immediately at Customer's expense or notify Company to install the applicable portion of the Network in areas of any such Building not containing such hazardous material. Any additional expense incurred as a result of encountering hazardous materials, including but not limited to, any additional equipment shall be borne by Customer.

2.5 Company shall have no obligation to install, operate, or maintain Customer-provided facilities or equipment.

2.6 Customer shall be responsible for providing maintenance, repair, operation and replacement of all wire, cable facilities on the Customer's side of the Demarcation Point. Any CPE and wiring that Customer uses in connection with the Service shall be compatible with the Network.

2.7 Customer shall use reasonable efforts to maintain its property and Buildings in a manner that preserves the integrity of the Service and shall promptly notify Company of any event that affects such integrity including but not limited to damage to the Network.

2.8 At such time as Company completes installation and connection of the necessary facilities and equipment to provide the Service, Company shall then notify Customer in writing that the Service is available for use and the date of such notice shall be the "Service Date". The current notice form is called the Comcast Commercial Services Billing Information Form ("Billing Form"). Company may update, modify or replace the service notification form from time to time without notice to Customer.

2.9 Any other failure on the part of Customer to be ready to receive Service, or any refusal on the part of Customer to receive Service, shall not relieve Customer of its obligation to pay charges for any Service that would otherwise be available for use.

2.10 **Customer-Provided Equipment (CPE).** Company shall have no obligation to install, operate, or maintain CPE. Customer alone shall be responsible for providing maintenance, repair, operation and replacement of all inside telephone wiring and equipment and facilities on the Customer's side of the Demarcation Point. All CPE and wiring that Customer uses in connection with the Services must be fully compatible with the Services. Customer shall be responsible for the payment of all charges for troubleshooting, maintenance or repairs attempted or performed by Company's employees or authorized contractors when the difficulty or trouble report results from CPE.

**SECTION 3 - OWNERSHIP, IMPAIRMENT, AND REMOVAL  
OF THE NETWORK**

3.1 The Network is and shall remain the property of Company regardless of whether installed between, within or upon the Buildings and whether installed overhead, above, or underground and shall not be considered a fixture or an addition to the land or the Buildings located thereon. Customer agrees that it shall take no action that directly or indirectly impairs Company's title to the Network, or exposes Company to any claim, lien, encumbrance, or legal process, except as otherwise agreed in writing by the Parties. Nothing in this Agreement shall preclude the Company from using the Network for services provided to other Company customers.

3.2 For a period of twelve (12) months following Company's discontinuance of Service to the Buildings, Company retains the right to remove the Network including, but not limited to, that portion of the Network that is located in the Buildings. To the extent Company removes such portion of the Network, it shall be responsible for returning the Buildings to their prior condition, reasonable wear and tear excepted.

4.3 Except for taxes based on Company's net income, and except to the extent Customer provides a valid tax exemption certificate prior to the delivery of Service, Customer shall be responsible for the payment of any and all applicable local, state, and federal taxes (however designated) levied upon the sale, installation, use or provision of Service. Further, Company reserves the right to invoice Customer for the costs of any fees or payment obligations stemming from an order, rule, or regulation of the FCC, a public service commission or a court of competent jurisdiction with respect to the Services, including, without limitation, universal service fund charges, or as otherwise needed to recover amounts that Company is required by government or quasi-governmental authorities to collect from or to pay to others in support of statutory or regulatory programs, including, without limitation, franchise fees and right-of-way fees. It will be the responsibility of Customer to pay any such taxes and fees that subsequently become applicable retroactively.

Customer, its employees, agents and independent contractors shall not use the Network to provide any product or Service that directly or indirectly competes with any product or Services provided by the Company (Non-Compete).

## SECTION 9 - INDEMNIFICATION

9.1 Subject to Section 8, each Party ("Indemnifying Party") will indemnify and hold harmless the other Party ("Indemnified Party"), its affiliates, officers, directors, employees, stockholders, partners, independent contractors and agents from and against any and all joint or several costs, damages, losses, liabilities, expenses, judgments, fines, settlements and any other amount of any nature, including reasonable fees and disbursements of attorneys, accountants, and experts (collectively, "Damages"), arising from any and all claims, demands, actions, suits, or proceedings whether civil, criminal, administrative, or investigative (collectively, "Claims") relating to:

(i) Any Claim of any third party resulting from the negligence or willful act or omission of Indemnifying Party arising out of or related to this Agreement, the obligations hereunder, and uses of Services; and

(ii) Any violation of this Agreement by the Indemnifying Party or any violation of any law, rule, regulation, or order of any governmental authority having jurisdiction over any aspect hereof, or in violation of any patent, right, license, agreement, or certificate relating to the subject matter hereof.

9.2 The Indemnifying Party agrees to defend the Indemnified Party for any loss, injury, liability, claim or demand ("Actions") that is the subject of this Section 9. The Indemnified Party agrees to notify the Indemnifying Party promptly, in writing, of any Actions, threatened or actual, and to cooperate in every reasonable way to facilitate the defense or settlement of such Actions. The

Indemnifying Party shall assume the defense of any Action with counsel reasonably satisfactory to the Indemnified Party. The Indemnified Party may employ its own counsel in any such case, and shall pay such counsel's fees and expenses. The Indemnifying Party shall have the right to settle any claim for which indemnification is available; provided, however, that to the extent that such settlement requires the Indemnified Party to take or refrain from taking any action or purports to obligate the Indemnified Party, then the Indemnifying Party shall not settle such claim without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld, conditioned or delayed.

## SECTION 9A - USE POLICIES

9A.1 Customer agrees to ensure that all uses of the Services installed at its premises ("use") are legal and appropriate. Specifically, Customer agrees to ensure that all uses by Customer or by any other person ("user"), whether authorized by Customer or not, comply with all applicable laws, regulations, and written and electronic instructions for use. Company reserves the right to act immediately and without notice to terminate or suspend the Services and/or to remove from the Services any information transmitted by or to Customer or users, if Company (i) determines that such use or information does not conform with the requirements set forth in this Agreement, (ii) determines that such use or information interferes with Company's ability to provide the Services to Customer or others, or (iii) reasonably believes that such use or information may violate any laws, regulations, or written and electronic instructions for use. Furthermore, to the extent Customer purchases Internet bandwidth services, such Services shall be subject to Company's Acceptable Use Policies ("AUP") that may limit use. The AUP and other policies concerning the Services are posted <http://www.comcast.com/business> or on another web site about which Customer has been notified, and are incorporated to this Agreement by reference. Company may update the use policies from time to time, and such updates shall be deemed effective seven (7) days after the update is posted online, with or without actual notice to Customer. Accordingly, Customer should check the above web addresses (or the applicable successor URLs) on a regular basis to ensure that its activities conform to the most current version of the use policies. Company's action or inaction in enforcing acceptable use shall not constitute review or approval of Customer's or any other users' use or information.

9A.2 **Violation.** Any breach of this Article 9A shall be deemed a material breach of this Agreement. In the event of such material breach, Company shall have the right to restrict, suspend, or terminate immediately any or all Service, without liability on the part of Company, and then to notify Customer of the action that Company has taken and the reason for such action, in addition to any and all other rights and remedies under this Agreement.

## SECTION 10 - INSURANCE

10.1 Company shall maintain during the Initial Term or any Renewal Term commercial general liability insurance that covers its liability and obligations hereunder including premises operations, broad-form property damage, personal injury hazards and contractual liability.

10.2 Customer shall maintain during the Initial Term or any Renewal Term commercial general liability insurance that covers its liability and obligations hereunder including premises operations, broad-form property damage (including, if appropriate, flood damage), personal injury hazards and contractual liability.

10.3 The liability limits under these policies shall be one million (\$1,000,000) dollars per occurrence, with a combined single limit for bodily injury and property damage liability.

## SECTION 11 - ASSIGNMENT

11.1 Neither Party shall assign any right, obligation or duty, in whole or in part, or of any other interest hereunder, without the prior written consent of the other Party, which shall not be unreasonably withheld. The foregoing notwithstanding, Company may assign this Agreement to any affiliate, related entity, or successor in interest without Customer's consent. In addition, Company may partially assign its rights and obligations hereunder to any party which acquires from Company all or substantially all of the assets of cable franchise(s) in which the Service is deployed to Customer.

11.2 All obligations and duties of either Party under this Agreement shall be binding on all successors in interest and assigns of such Party.

## SECTION 12 - FORCE MAJEURE

Neither Party shall be held liable for any delay or failure in performance of any part of this Agreement from any cause beyond its control and without its fault or negligence, such as acts of God, acts of civil or military authority, act of terrorism, government regulations, embargoes, epidemics, war, terrorist acts, riots, insurrections, fires, explosions, earthquakes, nuclear accidents, floods, power blackouts, unusually severe weather conditions, inability to secure products or services of other persons or transportation facilities, or acts or omissions of transportation common carriers.

## SECTION 13 - SEVERABILITY

In the event that any one or more of the provisions in this Agreement shall for any reason be held invalid, unenforceable, or void in any respect under the laws of the jurisdiction governing the entire Agreement, such provision(s) shall be construed so as to render it enforceable and effective to the maximum extent possible in order to effectuate the intention of this Agreement; and the validity, legality, and enforceability of the remaining provisions hereof shall not be affected or impaired.

## SECTION 14 - THIRD-PARTY BENEFICIARIES

No provision in this Agreement is intended, nor shall any be interpreted, to provide any person not a Party to this Agreement with any remedy, claim, liability, reimbursement, cause of action or create any other third party beneficiary rights against Company.

## SECTION 15 - INDEPENDENT CONTRACTORS

15.1 The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Neither Party shall have any right, power, or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or to otherwise bind, the other Party. This Agreement shall not be interpreted or construed to create an association, agency, joint venture, or partnership between the Parties or to impose any liability attributable to such a relationship upon either Party.

15.2 The requirements of this Article shall survive the expiration, termination, or cancellation of this Agreement to the greatest extent permitted by law.

## SECTION 16 - NONDISCLOSURE

16.1 Unless prior written consent is obtained from a Party hereto, the other Party will keep in strictest confidence all information identified by the first Party as confidential, or which, from the circumstances, in good faith and in good conscience, should be treated as confidential; provided that (a) the owner thereof has taken reasonable measures to keep such information secret; and (b) the information derives independent economic value, actual or

potential, from not being generally known to, and not being readily ascertainable through proper means by the public. Such information includes but is not limited to all forms and types of financial, business, scientific, technical, economic, or engineering information, including patterns, plans, compilations, program devices, formulas, designs, prototypes, methods, techniques, processes, procedures, programs, or codes, whether tangible or intangible, and whether or not stored, compiled, or memorialized physically, electronically, graphically, photographically, or in writing. A Party shall be excused from these nondisclosure provisions if the information has been, or is subsequently, made public by the disclosing Party, is independently developed by the other Party, if the disclosing Party gives its express, prior written consent to the public disclosure of the information, or if the disclosure is required by any law or governmental or quasi-governmental rule or regulation.

16.2 Customer shall not disclose to third parties the rates, terms, or conditions of this Agreement or any proprietary or confidential information of the Company, except as necessary for the operation of Customer's business and under non-disclosure agreement between Customer and third parties, or as required by law.

## SECTION 16A - CUSTOMER PRIVACY POLICIES

16A.1 In addition to the provisions of Article 16, the privacy policy below applies to Company's handling of Customer confidential information. In the event of a conflict between the provisions of Article 16 and any provision of the privacy policy below, the applicable provision of the privacy policy shall prevail in the resolution of the conflict. A copy of Company's privacy policy is available at <http://www.comcast.com/customerprivacy/>. Company may update this policy from time to time, and such updates shall be deemed effective upon posting.

16A.2 **Privacy Note Regarding Information Provided to Third Parties:** Company is not responsible for any information provided by Customer to third parties, and this information is not subject to the privacy provisions of this Agreement or the privacy policies. Customer assumes all privacy and other risks associated with providing personally identifiable information to third parties via the Services.

Re: Letter of Assurance, Concerning Comcast's Application of Franchise  
Funds to the Network Services Agreement

Dear Kim:

Comcast is excited about the opportunity to enter into a business-to-business relationship with the City of Sunrise through a Network Services Agreement, as offered by Comcast Commercial Services, LLC.

Comcast requested, and the City adopted, Resolution 08-97, wherein City staff is authorized to request Comcast to release the One Hundred Eight Thousand Dollars (\$108,000) (the "Comcast Fund") for the purpose of Comcast making payment of the first \$108,000 due from the City pursuant to the Network Services Agreement.

Provided that both Comcast Commercial Services, LLC, and the City of Sunrise move forward and execute the Network Services Agreement, this letter is to confirm that the legal entity that holds the \$108,000 in franchise funds, namely, Comcast of Greater Florida/Georgia, Inc., will in fact apply these funds to the first payment due from the City as contemplated under the resolution. The City will receive notice of the application of the funds at the time the first payment is due from the City under the Network Services Agreement.

If you have any questions, please feel free to contact me anytime at 954.532.7300.

Sincerely,

Rick Seamon  
Vice President & General Manager, Comcast - Broward County  
Vice President, Comcast of Greater Florida/Georgia, Inc.
