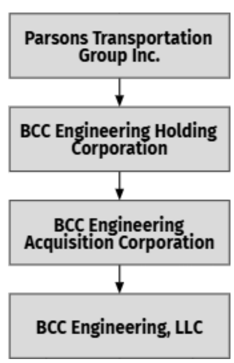
Subject: Parsons' Merger & Acquisition of BCC

Dear Ms. Lorraine,

Thank you for your questions regarding Parsons' merger and acquisition of BCC. Please find below a summary of the executed transaction:

1. Legal Framework of the Merger/Acquisition: The transaction was completed on October 18, 2024, pursuant to an Agreement and Plan of Merger governed by Delaware law. Under this agreement, Biscayne Merger Sub, Inc., a wholly owned subsidiary of Parsons Transportation Group Inc. ("Parsons"), merged with and into BCC Engineering Holding Corporation, with BCC Engineering Holding Corporation remaining as the surviving entity and continuing its corporate existence as a wholly owned subsidiary of Parsons. Please find attached a copy of the Certificate of Merger.

2. Post-Merger Ownership and Governance Structure: Following the merger, 100% of the equity interests in BCC Engineering Holding Corporation are owned by Parsons. BCC Engineering Holding Corporation, in turn, owns 100% of BCC Engineering Acquisition Corporation, which in turn owns 100% of BCC Engineering, LLC. Please find below the corresponding organizational chart:



Please let us know if you have any further questions.
