Athlete: Avery Dezine

Coach: Bakari Smith

Avery Dezine is a 7-year-old student at Franklin Academy and a participant in the Recreation Flag Football program.

Comments from his Coach:

Avery has been an invaluable member of our Cowboys Pee Wee flag football team this season. He plays center in our shotgun offense and his consistency is a major reason for our team's success. Every play begins with him, and he delivers accurate snaps to our quarterback time after time, allowing our offense to operate efficiently and confidently. While many players receive recognition for scoring touchdowns, Avery is the player who makes everything possible. He is truly the glue that holds our offense together.

Beyond his performance on the field, Avery demonstrates outstanding character. He attends practice consistently, listens attentively to all coaches, maintains a positive attitude, and gives maximum effort every day. He is respectful, coachable, dependable, and always willing to put the team's success ahead of his own.

Avery leads by example through his work ethic, teamwork, and commitment to improvement. He is the type of athlete every coach hopes to have on their team and is highly deserving of this recognition.
