

Teacher of the Month – September 2026
Westpine Middle School – Christina Luly

Westpine Middle School proudly nominates Ms. Christina Luly as the September 2026 Teacher of the Month.

Ms. Luly is the embodiment of what it means to be a Cambridge teacher. For the past 10 years, Christina has been a dedicated member of the Westpine Middle School family, growing from a classroom teacher into a highly respected department head and instructional leader.

Under her leadership, her department has helped drive increases in schoolwide proficiency and learning gains. Her impact in the classroom is equally impressive. Last year, 95% of her 8th grade students and 92% of her 7th grade students were proficient in the FAST state assessment. Even more impressive, 72% of her students who began at Level 3 increased to a Level 4 or 5, the highest performance levels on the assessment.

Ms. Luly is also committed to her own professional growth and is currently pursuing her master's degree in Curriculum, Instruction, and Technology. Beyond the data, she is one of Westpine's most popular and respected teachers. Her students value her, her colleagues trust her, and her leadership has made a measurable difference.

The City of Sunrise is recognizing an educator who represents excellence, leadership, and a genuine commitment to student success.

Congratulations to Christina Luly, our Teacher of the Month!
