City of Sunrise

RE: Permit Application

The Islamic Foundation of South Florida (IFSF) is a Muslim religious organization located in Sunrise at 5455 NW 108th Ave, Sunrise, Florida. Our religious holiday of Eid al-Adha is approaching, beginning on May 27 and concluding with our large congregational Eid al-Adha prayer service in June 2026.

We anticipate a large turnout during this period and the possibility that some services and activities may extend beyond the normal 11:00 PM cutoff time for events. Therefore, we respectfully request approval from the City Council to install a temporary canopy to hold an event, for an extended period from May 27 through June 15, 2026, as well as an exception to allow activities beyond 11:00 PM during this time upto 1 AM.

I am signing this request on behalf of the Board of Directors of the Islamic Foundation of South Florida. Please let us know if you have any questions or require any additional information. We look forward to a positive response so we may obtain the necessary permits as soon as possible.

As always, we sincerely appreciate the cooperation and support of the City of Sunrise and the Commission in supporting our community and religious activities.

Thank you for your consideration.
