The Consultant shall not assign this Agreement without prior written consent of the City.

SECTION 36 CONSULTANT'S PERSONNEL

36.1 The presence or duties of the Consultant's personnel at a work site, whether as onsite representatives or otherwise, do not make the Consultant or the Consultant's personnel in any way responsible for those duties that belong to the City and/or the construction contractors or other entities, and do not relieve the construction contractors or any other entity of their obligations, duties, and responsibilities, including, but not limited to, all construction methods, means, techniques, sequences, and procedures necessary for coordinating and completing all portions of the construction work in accordance with the construction Contract Documents and any health and safety precautions required by such construction work. The Consultant and the Consultant's personnel shall report to the City any health or safety deficiencies of the construction contractor(s) or other entity or any other person at the construction site that Consultant's personnel actually observe.

HOURLY RATES

Increase In Hourly Rates – Hourly rates may be adjusted annually after the first full year of this AGREEMENT, if authorized by the CITY. In no instance may any adjustment exceed 5% in any one year. The adjusted rates shall not be used to adjust previously authorized Project Agreements. Such adjustment shall be authorized through a written amendment to this Agreement.

The maximum raw salary rate is the maximum amount per hour the Consultant can bill the City for each individual employee category. If the raw salary of an employee is less than what is listed in Exhibit “B”, then the Consultant can only bill up to that lesser amount. An employee’s hourly rate will be calculated by multiplying the employee’s raw salary rate by an overhead factor of 2.9. In the event the resulting number exceeds the maximum hourly rate for that employee category, then the maximum hourly rate will be used instead of the employee’s hourly rate.

Employee Category	Maximum Raw Salary Rate	Overhead Factor	Maximum Hourly Rate
Principal	\$101.72	2.9	\$295.00
Senior Project Manager / Senior Professional Engineer / Senior Architect / Senior Landscape Architect	\$89.66	2.9	\$260.00
Project Manager / Architect / Landscape Architect / Professional Engineer	\$77.59	2.9	\$225.00
Engineer / Senior Designer / Senior CAD Technician / Senior Field Representative	\$54.48	2.9	\$158.00
Designer	\$44.83	2.9	\$130.00
CAD Technician	\$48.28	2.9	\$140.00
Field Representative	\$43.10	2.9	\$125.00
Administrative	\$25.86	2.9	\$75.00

Examples of Hourly Rate Computation:

Example 1: Professional - Employee Actual Raw Salary Rate = \$42 / hour
Actual Raw Salary Rate of \$42 < Maximum Raw Salary Rate of \$52; therefore, use Actual Raw Salary Rate of \$42.
Actual Raw Salary Rate x Overhead Factor = Hourly Rate
 $\$42/\text{hour} \times 2.90 = \121.80 Hourly Rate

Example 2: Professional - Employee Actual Raw Salary Rate = \$53 / hour
Actual Raw Salary Rate of \$53 > Maximum Raw Salary Rate of \$52; therefore, use Maximum Raw Salary Rate of \$52
Maximum Raw Salary Rate x Overhead Factor = Hourly Rate
 $\$52/\text{hour} \times 2.90 = \150.80 Hourly Rate

The Consultant shall not sign such Schedule of Values in the absence of such belief unless directed to do so, in writing, by the City.

2.7.4 The Consultant shall observe the work of the Contractor on a periodic basis. The purpose of such observations will be to determine the quality, quantity and progress of the work in comparison with the requirements of the Construction Documents and Construction Contract. In making such observations, the Consultant shall exercise care to protect the City from defects or deficiencies in the work from unexcused delays in the schedule and from overpayment to the Contractor. Following each such site visit, the Consultant shall submit a written report of such observations, together with any appropriate comments or recommendations, to the City. - 2.7.9 The Consultant shall review and take other appropriate action upon, the Contractor's submittals such as Shop Drawings, Product Data and Samples. Appropriate action by the Consultant of the Contractor's submittal shall constitute the Consultant's representation to the City that such submittal is in conformance with the Construction Documents and Construction Contract, but does not hold the Consultant responsible for the accuracy and completeness of details such as dimensions and quantities, or for substantiating instruction for installation or performance of equipment or systems, all of which remain the responsibility of the Contractor as required by the Construction Documents. Such action shall be taken with reasonable promptness so as to cause no delay to the Contractor of the Project.

If the Consultant wishes to make a claim for an increase in time of performance, written notice of such claim shall be made to the City within three (3) working days after the occurrence of the event, or the first appearance of the condition giving rise to such claim. The City's representative shall determine whether the Consultant is entitled to a time extension for the delay. The failure of the Consultant to give such notice shall constitute a waiver of any claim under this section.
