SUBJECT: Request for Additional Special Event Permits – 2026 Calendar Year

Dear City of Sunrise Commission,

Thank you in advance for your consideration of our request to host additional special events at The Faith Center that require city permitting.

We have already successfully hosted several special events this year and are grateful for the support and collaboration of the City of Sunrise. As our programming continues to expand—particularly with upcoming summer and fall projects—and with growing demand for services such as food trucks, we respectfully request approval to host up to **four** additional events. This would allow for a total of ten permitted special events during the 2026 calendar year, including future events that may arise and require city permits but are not yet scheduled or named.

We truly value our continued partnership with the City of Sunrise and appreciate your time and consideration of this request.

Warm regards,

Pastor Kevin M. Tucker
